CLAUSES AND COVENANTS

A. Imposition of Covenants

1. Declarant intends to develop the Property in accordance with the general plan depicted in the Land Plan, whereby the Property shall be developed as a planned unit development of Tri-Plexes mutually utilizing the Common Area.

2. Declarant imposes the Covenants on the Subdivision. All Owners and other occupants of the Lots and Residences by their acceptance of deeds, leases, or occupancy of any Lot or Residence agree that the Subdivision is subject to the Covenants.

3. The Covenants are necessary and desirable to establish a uniform plan for the development and use of the Subdivision for the benefit of all Owners. The Covenants run with the land and bind all Owners, occupants, and any other person holding an interest in a Lot or Residence.

4. Each Owner and occupant of a Lot or Residence agrees to comply with the Dedicatory Instruments and agrees that failure to comply may subject it to a fine, an action for amounts due to the Property Owners Association, damages, or injunctive relief.

5. In developing the Property and constructing and marketing the Lots and/or Tri-Plexes, Declarant shall not be subject to the restrictions contained in this Declaration or in the rules and regulations of the Association, and nothing contained herein or therein shall be deemed to prohibit or interfere with such activities by Declarant or its agents. Declarant and its agents may utilize any portion of the Property (except Lots previously conveyed to Owners other than Declarant) for any and all construction and sales activities. All improvements constructed or installed by Declarant expressly shall be permissible without necessity for approval by the Board or any others and notwithstanding any restriction or prohibition to the contrary set forth in this Declaration.

B. Land Plan and Easements

1. The Land Plan, Easements, and all matters shown of record affecting the Property are part of this Declaration and are incorporated by reference.

2. An Owner may use that portion of a Lot lying in an Easement for any purpose that does not interfere with the purpose of the Easement or damage any facilities. Owners do not own any utility facilities located in an Easement.

3. Neither Declarant nor any Easement holder is liable for damage to landscaping or a Structure in an Easement.

4. Declarant and each Easement holder may install, maintain, and connect facilities in the Easements.

No animals of any type shall be kept, bred, or maintained on any Lot for commercial purposes. Dogs that are household pets shall at all times whenever they are outside the Residence be on a leash or otherwise confined in a manner acceptable to the Board. Without prejudice to the Board's right to remove any such household pets, no household pet that had caused damage or injury may be walked in the Subdivision. Animal control authorities shall be permitted to enter all Lots to patrol and remove pets. Pets shall be registered, licensed, and inoculated as required by law.  - iii. Permitted Flags must be displayed in a respectful manner in accordance with the current relevant federal, state, or military code.
 - iv. Permitted Flags must be displayed from a pole attached to a Structure. Permitted Flags may not be draped over or directly attached to structures. For example, a Permitted Flag may not be laid across a fence or stapled to a Structure.
 - v. Permitted Flags shall be no larger than three feet (3') by five feet (5') in size.
 - vi. Only one (1) Permitted Flag may be displayed on a flagpole attached to a Structure.

 - viii. A flagpole attached to a Structure may be up to six feet (6') long and must be securely attached with a bracket with an angle of thirty to forty-five degrees (30° – 45°) down from vertical. The flagpole must be attached in such a manner as to not damage the Structure. One attached flagpole is allowed on any portion of a Structure facing a street and one attached

flagpole is allowed on the rear or backyard portion of a Structure. Brackets which accommodate multiple flagpoles are not allowed.

ix. Lighting may be installed to illuminate Permitted Flags if they will be displayed at night and if existing ambient lighting does not provide proper illumination. Flag lighting must:

xi. Flagpoles are allowed solely for the purpose of displaying Permitted Flags. If a flagpole is no longer used on a daily basis, it must be removed.

xii. All flags and flagpoles must be maintained in good condition. Deteriorated flags must be removed and promptly replaced. Deteriorated or structurally unsafe flagpoles must be promptly repaired, replaced, or removed.

p. utilize rainwater recovery systems, except as provided below:

i. Rainwater recovery systems may be installed with advance written approval of the ACC subject to these guidelines.

ii. All such systems must be installed on the Owner's Lot in the rear of the Lot. No portion of the systems may encroach on adjacent properties or Common Areas.

iii. Other than gutters and downspouts conventionally attached to a dwelling or appurtenant Structure, all components of the systems, such as tanks, barrels, filters, pumps, motors, pressure tanks, pipes, and hoses, must be substantially screened from public view from any street or Common

Area. Screening may be accomplished by:

- (A) placement behind a solid fence, a Structure, or vegetation; or
- (B) burying the tanks or barrels.

iv. A rain barrel may be placed in a location visible from public view from any street or Common Area only if the configuration of the guttering system on the Structure precludes screening as described above with the following restrictions:

- (A) the barrel must not exceed fifty-five (55) gallons;
- (B) the barrel must be installed in close proximity to the Structure on a level base with the guttering downspout leading directly to the barrel inlet at a substantially vertical angle;
- (C) the barrel must be fully painted in a single color to blend with the adjacent home or vegetation; and

v. Overflow lines from the systems must not be directed onto or adversely affect adjacent properties or Common Areas.

vi. Inlets, ports, vents, and other openings must be sealed or protected with mesh to prevent children, animals, and debris from entering the barrels, tanks, or other storage devices. Open top storage containers are not allowed, however, where space allows and where appropriate, ACC approved ponds may be used for water storage.

vii. Harvested water must be used and not allowed to become stagnant or a threat to health.

viii. All systems must be maintained in good repair. Unused systems should be drained and disconnected from the gutters. Any unused systems in public view must be removed from public view from any street or Common Area.

q. utilize solar energy devices, except as provided below:

i. These guidelines apply to solar energy devices (“Devices”) as defined in Section 171.107(a) of the TEXAS TAX CODE. A Device means a system or series of mechanisms designed primarily to provide heating or

cooling or to produce electrical or mechanical power by collecting and transferring solar-generated energy. The term includes a mechanical or chemical device that has the ability to store solar-generated energy for use in heating or cooling or in the production of power.

ii. Such Devices may only be installed with advance written approval of the ACC subject to these guidelines.

iii. Any such Device must be installed on the Lot or Structures owned by the Owner installing such Device. No portion of the Devices may encroach on adjacent properties or Common Areas.

- (B) have no portion of the Device extend beyond the perimeter boundary of the roof section to which it is attached;
- (C) conform to the slope of the roof;
- (D) be aligned so the top edge of the Device is parallel to the roof ridge line for the roof section to which it is attached;
- (E) have a frame, brackets and visible piping or wiring that is a color to match the roof shingles or a silver, bronze, or black tone commonly available in the marketplace; and
- (F) be located in a position on the roof which is least visible from any street or Common Area, so long as such location does not reduce estimated annual energy production more than ten percent (10%) over alternative roof locations (as determined by a publicly available modeling tool provided by the National Renewable Energy Laboratory [www.nrel.gov] or equivalent entity).

vi. For Devices located in a fenced yard or patio, no portion of the Device may extend above the top of the fence. If the fence is not a solid

fence which blocks view of the Device, the Property Owners Association may require the Device be placed in a location behind a Structure or otherwise require visual screening. The Property Owners Association may consider installation of Devices on Lots without a fenced yard if there is adequate screening from public view from any street or Common Area.

vii. All Devices must be installed in compliance with manufacturer's instruction and in a manner that does not void material warranties. Licensed craftsmen must be used where required by law. Permits must be obtained where required by law.

viii. Installed Devices may not:

(A) threaten public health or safety;

(B) violate any law; or

(C) substantially interfere with the use and enjoyment of land by causing unreasonable discomfort or annoyance to any adjoining property owner.

ix. All Devices must be maintained in good repair. Unused or inoperable Devices must be removed.

r. display of seasonal decorations, except as provided below:

i. Seasonal displays must be limited in scope and must not become a nuisance or annoyance to the neighborhood.

of 1996, as amended from time to time.

ii. Satellite dishes attached to a Residence are allowed as long as they are a maximum of twenty-four (24) inches in diameter and are not visible from any street. The Board is empowered to adopt rules governing the types of antennae that are permissible in the Subdivision and to establish reasonable, nondiscriminatory restrictions relating to safety, location, and maintenance of antennae. To the extent that receipt of an acceptable signal would not be impaired, an antenna permissible pursuant to the rules of the Board may only be installed in a rear yard location, not visible from any street, and integrated with the Residence and surrounding landscape. Antennae shall be installed in compliance with all state and local laws and regulations; and

u. smoking of any form or substance within a Residence.

ALL OWNERS AND OCCUPANTS OF ANY LOT, TENANTS, GUESTS AND INVITEES OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGE THAT THE PROPERTY OWNERS ASSOCIATION AND THE BOARD, DECLARANT, ANY SUCCESSOR DECLARANT, AND THE ACC DO NOT REPRESENT OR WARRANT THAT ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM, ACCESS CONTROL SYSTEM, SURVEILLANCE EQUIPMENT, MONITORING DEVICES OR OTHER SECURITY SYSTEM MAY NOT BE COMPROMISED OR CIRCUMVENTED, THAT ANY SUCH SYSTEMS WILL PREVENT LOSS BY FIRE, SMOKE, BURGLARY, THEFT, HOLD-UP, OR OTHERWISE, NOR THAT FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. - c. *Appeal.* An Owner may appeal any action of the ACC to the Board. The appealing Owner must give written notice of the appeal to the Board, and if the appeal is by an Owner who is not the submitting Owner, the appealing Owner must also give written notice to the submitting Owner within five (5) days after the ACC's action. The Board shall determine the appeal within fifteen (15) days after

timely notice of appeal is given. The determination by the Board is final.

The Board will maintain written records of all appeals of ACC actions and all determinations made. Any Owner may inspect the records of the ACC and Board, but no Owner may inspect or copy the interior floor plan or security system design of any other Owner.

e. *No Liability.* The Property Owners Association, the Board, the ACC, and their members have no liability or obligation whatsoever in connection with any plans and/or specifications and no responsibility for the adequacy thereof or for the construction of any improvements contemplated by any such plans and/or specifications. The Property Owners Association, the Board, the ACC, and their members have no duty to inspect any improvements; and, if any should inspect any improvements, it shall have no liability or obligation to any party arising out of such inspection. The Property Owners Association, the Board, the ACC, and their members expressly shall have no liability or responsibility for defects in or omissions from any plans and/or specifications or for defects in or omissions from the construction of any improvements. Notwithstanding any covenant, condition, or term contained in this Declaration or provision of the Bylaws to the contrary, the Property Owners Association, the Board, the ACC, and their members shall not have any liability to any Owner arising or resulting from any act or omission of them taken or omitted pursuant to this Declaration or the Bylaws. Each Owner by accepting a conveyance of any Lot or of any portion of the Subdivision conclusively shall be deemed to have unconditionally and irrevocably waived all claims against the Property Owners Association, the Board, the ACC, and their members arising or resulting from acts or omissions pursuant to this Declaration or the Bylaws.

G. Assessments

1. *Authority.* The Property Owners Association may levy Assessments to promote the recreation, health, safety, and welfare of the residents in the Subdivision, to fund operating expenses of the Property Owners Association, to pay for utilities, taxes, and insurance applicable to the Subdivision, and to improve and maintain the Common Areas, including, but not limited to, the pro rata share attributable to each Lot of the actual cost to the Property Owners Association of the repair and maintenance to be performed by the Property Owners Association; the operation, maintenance, and security of the Common Area; the taxes and governmental assessments on the Common Area; costs of insurance maintained by the Property Owners Association; and such additional sums as the Board may determine to be necessary to fulfill the purpose of the Property Owners Association. Such funds may be used to pay costs incurred with respect to all or any of the following:

a. Operation, maintenance and repair of the Common Area and the improvements thereupon including, without limitation, the private streets within the Subdivision;

- b. Payment of taxes and premiums for insurance coverage in connection with the Common Area and for directors and officers liability insurance;
- c. Paying the cost of labor, equipment (including expense of leasing any equipment), material, and any associated management or supervisory services and fees required for management and supervision of the Common Area;
- d. Paying the cost and fees of a manager or firm retained to carry out the duties of the Property Owners Association or to manage the affairs and property of the Property Owners Association;
- e. Maintaining or replacing any landscaping in the Common Area;
- f. Designing, purchasing and installing any improvements to the Common Area;
- g. Mowing and routine maintenance of the Common Area;
- h. Removing debris from the Common Area;
- i. Contracting for street lights in the Subdivision;
- j. Collecting and disposing of trash, garbage, ashes, rubbish and other similar materials;
- k. Payment of legal fees and expenses incurred to collect assessments and enforce this Declaration;
- l. Employing policemen or watchmen and/or a security service;
- m. Contracting for insect and pest control such as mosquito fogging;
- n. Carrying out the duties of the Board;
- o. Creation and funding of such reserve funds as the Board deems necessary; and
- p. Carrying out such purposes of the Property Owners Association as generally benefit the Members of the Property Owners Association..

The judgment of the Board in establishing Assessments and in the expenditure of said funds shall be final and conclusive so long as said judgment is exercised in good faith.

2. *Personal Obligation.* An Assessment is a personal obligation of each Owner when the Assessment accrues.

3. *Creation of Lien.* Assessments are secured by a continuing vendor's lien on each Lot, which lien is reserved by Declarant and hereby assigned to the Property Owners Association. By acceptance of a deed to a Lot, each Owner grants the lien, together with the power of sale, to the Property Owners Association to secure Assessments.

4. *Commencement.* A Lot becomes subject to Assessments on conveyance of the Lot by Declarant to a third party.

5. *Regular Assessments*

a. *Rate.* On or about December 31 of each calendar year, the rate of Regular Assessments shall be determined by the Board by projecting the estimated applicable expenses for the following calendar year, with notice of the same being sent to each Owner within a reasonable time after the end of each calendar year. Within a reasonable time after the end of each calendar year, the Property Owners Association will also notify Owners of the actual costs of the applicable expenses (those that are included within the Regular Assessments) for the previous year. Owners shall then pay any deficient amount as between the rate of Regular Assessment so charged and the actual expenses incurred to the Property Owners Association within thirty (30) days after the Property Owners Association notifies the Owners of such deficient amount, which payment shall be deemed for all purposes a reconciliation of the prior Regular Assessment. If the actual applicable expenses (those that are included within the Regular Assessments) for the previous year are less than the rate of Regular Assessment for the previous year, the Property Owners Association will credit such excess amount against the applicable Owner's next monthly payment of Regular Assessments.

b. *Assessment Proration.* The pro rata share of the total Regular Assessments to be borne by each Lot shall be the Assessment Proration for that Lot. The "Assessment Proration" for each Lot shall be a percentage determined as the product of one (1), as the numerator, and the total of all Lots then-developed as the denominator.

c. *Changes to Regular Assessments.* Regular Assessments may be changed annually by the Board. Written notice of the Regular Assessment will be sent to every Owner at least thirty (30) days before its effective date.

d. *Collections.* Regular Assessments will be collected monthly in advance, payable on the first day of each month.

6. *Special Assessments.* In addition to the Regular Assessments, the Board may levy Special Assessments for the purpose of funding the cost of any construction, reconstruction, repair, or replacement of any capital improvement on the Common Area or for any other purpose benefitting the Subdivision but requiring funds exceeding those available from the Regular Assessments. Special Assessments must be approved by the Members. Written notice of the terms of the Special Assessment will be sent to every Owner.

7. *Approval of Special Assessments.* Any Special Assessment must be approved by a sixty-seven percent (67%) vote at a meeting of the Members in accordance with the Bylaws.

8. *Fines.* The Board may levy a fine against an Owner for a violation of the Dedicatory Instruments as permitted by law.

9. *Subordination of Lien to Mortgages.* The lien granted and reserved to the Property Owners Association is subordinate to any lien granted by an Owner against a Lot not prohibited by the Texas Constitution. The foreclosure of a superior lien extinguishes the Property Owners Association's lien as to Assessments due before the foreclosure.

10. *Delinquent Assessments.* Any Assessment not paid within thirty (30) days after it is due is delinquent.

H. Remedial Rights

1. *Late Charges and Interest.* A late charge of ten percent (10%) of the delinquent amount is assessed for delinquent payments. Delinquent Assessments accrue interest at the lesser rate of (a) eighteen percent (18%) per year or (b) the maximum non-usurious rate of interest under the laws of the State of Texas. The Board may change the late charge and the interest rate.

2. *Costs, Attorney's Fees, and Expenses.* If the Property Owners Association complies with all applicable notice requirements, an Owner is liable to the Property Owners Association for all costs and reasonable attorney's fees incurred by the Property Owners Association in collecting delinquent Assessments, foreclosing the Property Owners Association's lien, and enforcing the Dedicatory Instruments.

3. *Judicial Enforcement.* The Property Owners Association may bring an action against an Owner to collect delinquent Assessments, foreclose the Property Owners Association's lien, or enforce or enjoin a violation of the Dedicatory Instruments. An Owner may bring an action against another Owner to enforce or enjoin a violation of the Dedicatory Instruments.

4. *Remedy of Violations.* The Property Owners Association may levy a fine against an Owner for a violation of the Dedicatory Instruments.

5. *Suspension of Rights.* If an Owner violates the Dedicatory Instruments, the Property Owners Association may suspend the Owner's rights under the Dedicatory Instruments in accordance with law, inclusive of the right to use and enjoy the Common Areas.

6. *Damage to Property.* An Owner is liable to the Property Owners Association for damage to Common Areas caused by the Owner or the Owner's family, guests, agents, independent contractors, and invitees in accordance with law.

7. *Self Help.* In addition, if the need for repair or maintenance of areas to be repaired and maintained by the Property Owners Association is caused through the negligence or willful

acts or omissions of an Owner or the Owner's family, guests, agents, independent contractors, and invitees, the cost of such repair or maintenance, may, to the extent of such Owner's liability at law, at the option of the Board, be charged to such Owner, either directly or through increased Assessments. Further, the Property Owners Association shall, after giving reasonable notice to the Owner, enter any portion of the Property subject to this Declaration, including any Lot or Residence, correct any situation which is not in compliance with the requirements of this Declaration, and the cost of any such action which is undertaken by the Property Owners Association because of the failure or neglect of an Owner, shall be the responsibility of the Owner, either directly or through Assessments by the Property Owners Association, at the option of the Board.

8. *Right to Inspect.* Any member of the Board or the ACC and their representatives shall have the right, but not the obligation, during reasonable hours to enter upon and inspect any Lot with respect to which construction is underway to determine whether or not the plans therefor have been approved and are being complied with. Such person or persons shall not be deemed guilty of trespass by reason of such entry. In the event the ACC shall determine that such plans have not been approved or are not being complied with, the ACC shall be entitled to enjoin further construction and to require the removal or correction of any work in place which does not comply with approved plans. In addition to any other remedies available to the Property Owners Association, the Board may record in the appropriate land records a notice of violation naming the violating Owner.

I. Common Area

1. *Common Area Easements.* Each Owner has an easement in and to the Common Area, subject to the right of the Property Owners Association to:

- a. suspend an Owner's rights to use a Common Area under the Dedicatory Instruments;
- b. grant an easement approved by the Board over the Common Area for utility, drainage, or other purposes; and
- c. dedicate or convey any of the Common Area for public purposes, on approval by a vote of sixty-seven percent (67%) of the Members at a meeting in accordance with the Bylaws.

2. *Permitted Users.* An Owner's right to use and enjoy the Common Area extends to the Owner's family, guests, agents, and invitees, subject to the Dedicatory Instruments.

3. *Unauthorized Improvements in Common Area.* An Owner may not erect or alter any Structure on, or clear, landscape, or disturb, any Common Area except as approved by the Board.

4. *Disclaimer of Liability.* Notwithstanding anything to the contrary contained herein or otherwise enforceable in accordance with applicable law, the grant hereunder shall not be

interpreted to imply or create a grant to the general public to the Common Area, and the Property Owners Association expressly disclaims any and all liability arising from or related to the access and/or use of the Common Area by anyone other than those permitted users provided hereunder and in accordance with the terms provided herein.

5. *Common Area Maintenance.* The Property Owners Association shall be responsible for and shall bear the expense of maintaining the Common Area and facilities in good condition and repair, adequately painted, landscaped, and maintained, free of rubbish and debris and in a neat, clean, and slightly condition, including sewer and water lines, private streets, and all areas of the Subdivision up to the property boundary lines of each Lot. The costs and expenses of the repair and maintenance of the Common Area and facilities undertaken by the Property Owners Association shall be a common expense to be distributed and allocated among the Owners pursuant to the provisions of Section G, except that any expenses incurred by the Property Owners Association for work that was the responsibility of any Owner shall be charged to and paid by such Owner.

J. General Provisions

1. *Term.* This Declaration runs with the land and is binding in perpetuity.
2. *No Waiver.* Failure by the Property Owners Association or an Owner to enforce the Dedicatory Instruments is not a waiver.
3. *Corrections.* The Board may correct typographical or grammatical errors, ambiguities, or inconsistencies contained in this Declaration, provided that any correction must not impair or affect a vested property right of any Owner.
4. *Amendment.*
 - a. This Declaration may be amended at any time by a sixty-seven percent (67%) vote of Members entitled to vote on the amendment. An instrument containing the approved amendment will be signed by the Property Owners Association and recorded.
 - b. In addition to specific amendment rights granted elsewhere in this Declaration, until the Control Transfer Date, Declarant may unilaterally amend this Declaration for any purpose; provided, however, any such amendment shall not impair or adversely affect the vested property or other rights of any Owner unless such Owner shall consent thereto in writing. After the Development Period, Developer shall also have and reserves the right, at any time and from time to time, without the joinder or consent of any Owner or other party, to amend this Declaration (i) for the purposes of correcting any typographical or grammatical error, oversight, ambiguity or inconsistency appearing herein; or (ii) to the extent necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation, or judicial determination; provided that any such amendment shall be consistent with and in furtherance of the general plan

and scheme of development as evidenced by this Declaration and shall not impair or adversely affect the vested property or other rights of any Owner unless such Owner shall consent thereto in writing.

5. *Conflict.* This Declaration controls over the other Dedicatory Instruments.

6. *Severability.* If a provision of this Declaration is unenforceable for any reason, to the extent the unenforceability does not destroy the basis of the bargain among the parties, the unenforceability does not affect any other provision of this Declaration, and this Declaration is to be construed as if the unenforceable provision is not a part of this Declaration.

7. *Notices.* All notices must be in writing and must be given as required or permitted by the Dedicatory Instruments or by law. Notice by mail is deemed delivered (whether actually received or not) when properly deposited with the United States Postal Service, addressed (a) to a Member, at the Member's last known address according to the Property Owners Association's records, and (b) to the Property Owners Association, the Board, the ACC, or a managing agent at the Property Owners Association's principal office or another address designated in a notice to the Members. Unless otherwise required by law or the Dedicatory Instruments, actual notice, however delivered, is sufficient.

8. *Annexation of Additional Property.* On written approval of the Board and not less than sixty-seven percent (67%) of the Members at a meeting in accordance with the Bylaws, the owner of any property who desires to subject the property to this Declaration may record an annexation agreement that will impose this Declaration and the Covenants on that property.
